

Community Meeting - Come and Help Make A Difference !

Come join us* to discuss the health and benefits of a healthy Vincent Lake watershed

WHO ? Cottagers and Farmers, and other interested individuals and groups.

WHY ? To discuss our collective need to ensure our lakes, riparian areas, and watershed are healthy to enable us to continue to enjoy recreation, agriculture, and other benefits.

6 PM Open House Displays . Refreshments . Door Prizes

7 PM Presentations :

- **What is Riparian Health About ?**
- **Other Lake Experiences**
- **Water Quality**
- **Riparian Health Tips for Cottagers and Farmers**
- **Results of Cottager Values and Viewpoints Study**
- **Questions and Discussion with You the Community**
- **Future Actions**

10 PM Adjourn!

WHEN ? Tuesday, March 28, 2000 from 6:00 PM -10:00 PM

WHERE ? St. Paul Senior Citizens Club (4809-47 Street, St. Paul)

PLEASE REGISTER TO ATTEND THIS MEETING. Call Julie Laux at the Public Lands Office in St. Paul at 645-6336.

*** The Vincent Lake Working Group is a partnership of interested individuals and groups whose purpose is to provide awareness, education, and tools that will foster an increased understanding of the importance of healthy and properly functioning riparian areas for recreation, agriculture, and many other benefits and values. Members include: County of St. Paul, Summer Village of Horseshoe Bay, Alberta Environment, Alberta Agriculture, Food and Rural Development, Alberta Environmentally Sustainable Agriculture Program, Riparian Wetlands and Research Program, Alberta Conservation Association, and the Cows and Fish Program.**
